Mr. Bradley Decker

Dear Mr. Decker:

We are writing in response to your letter of March 4, 2005 that references the Georgia Bankers Association Political Action Committee's Amended Statement of Organization, dated 12/22/1997.

In our Statement of Organization, we list only one affiliate, the American Bankers Association Political Action Committee (BankPAC). We believe this is our only affiliate for FEC filing purposes. Under FEC regulations, the Political Action Committees of state trade associations are required to disclose affiliation with related national level PACs but are not required to disclose affiliation, if any, with other state level trade association PACs.

Earlier today, we updated our Statement of Organization electronically in order to report very recent changes to our Treasurer, Designated Agent and Custodian of Records. These were the only changes we made to the Statement of Organization and as with the previous Statement, the American Bankers Association BankPAC is listed as our only affiliate. If you have additional questions about our Statement of Organization or our affiliation with other PACs, please feel free to call me at (404)420-2033.

Yours truly,

John T. Runnion
