RE: League of Conservation Voters Action Fund, C00252940

This letter is in response to your RFAI dated September 28, 2007, regarding the August Monthly Report covering the period of 7/1/2007 to 7/31/2007. There were two earmarked (non-deposited) receipts that should have correlated to the disbursements for Udall (\$2300) and Sestak (\$750); however, they were incorrectly dated during the data entry process. Thus, these receipts did not report correctly in the period for the August report, but rather reported incorrectly on the September Monthly report. We have corrected the data entry so that these receipts are now reporting on the August Monthly report, as they should have. This change now also affects the memo receipts on the September Monthly report, which has also been amended.

Please feel free to contact me if you have any additional questions. Thank you.

Sincerely,

Barbara Gonzalez-McIntosh
Treasurer
