Dear Ms. Sheppard:

RE: C00330886
Mike Crapo for US Senate
Year End Report

Enclosed are copies of checks cut to refund excessive contributions for the primary election for our cycle 2004. As explained in a previous telephone conversation, the campaign upgraded our software for a newer version and assumed the dates and limits were set and would load along with the new software. This is perhaps an assumption we should not have made, however, we were expecting as we posted contributions that the system would flag the data entry person when limits were reached.

The checks will be sent to the contributors along with an explanation of the law that requires the amount being returned. I believe this will address the problem in full. If you need anything additionally from the campaign, please advise.
