

There was a fundraiser held benefiting several candidates held at the Royal Sonesta Hotel in Boston. Congressman Murtha was the guest speaker. It did not benefit one specific candidate.

This fundraiser was reported on the 12 day pre-general report as "fundraiser event-food/facility". also, there is an independent contractor that was hired to do solicitation and fundraising activities. Her name is Lisa Scala and was reported as "consulting - fundraising/solicitation" on the reports.

I (Brian Mount) am the treasurer and bookkeeper for the PAC. There are expenditures reported for my services on the year end report.

Greater Boston Management is the landlord for the leased premises. The premises are shared with Capuano for Congress. This is a newly formed PAC and will have more administrative expenses as the PAC more fully develops.

This miscellaneous Form 99 submission is in response to the letters received from the FEC requesting more information on the 12 day pre-general and the year end report.
