10/22/94

Dear Sirs,

Please find with this letter our second report since registering 9/12/94. As we have previously discussed, our software FEC form is not completed at this time. Therefore, again, please accept this report in the format enclosed until such time as our software is complete and approved.

Please let me know if it is possible to obtain from your office the formatting for your forms on diskette. This will greatly reduce the time necessary in developing the FEC forms on our software. This way our programmer can simply copy over the format from your diskette. Thank you for any help in this matter. My phone number is (703) 264-9231.

Sincerely,

David Pearson
Treasurer
