Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Please provide the total for Line 22, Column A of the Detailed Summary Page. Note that changes in your figures may affect your Column B totals on this report and/or on subsequent reports.
2. The totals listed on Line 23, Column B of the Detailed Summary Pages appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
3. It appears that the figures you have disclosed on Line 11(c) of the Detailed Summary Page have been inadvertently recorded on the incorrect line. Please note that Line 11(c) is used to disclose contributions received from other political committees while Line 11(d) is used to disclose the total of all contributions received by your committee. Please amend your report to disclose your figures on the correct lines of the Detailed Summary Page.

4. Please provide the type of report on Line 4 and the coverage dates of your report on Line 5 of the Summary Page.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
