IDENTIFICATION NUMBER: C00020818

REFERENCE: AMENDED MAY MONTHLY REPORT (04/01/2014 - 04/30/2014),  
RECEIVED 06/13/2014

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 item(s):

1. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Payroll" and "Payroll Taxes". Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

2. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for

"Television Advertising". Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

**3.** Schedules H5 and L-B of your report discloses a transfer-in of \$9,035.13 from your Levin account for generic campaign activity; however, a Schedule H6 has not been filed to disclose any payments for allocable Federal Election Activity, which is necessary to support such a transfer-in.

Please be advised that transfers for allocated Federal Election Activity must not exceed the Levin share of the allocated disbursements and that these transfers must be made within a 70-day time period: no more than 10 days before and no more than 60 days after payment to the vendor. 11 CFR §300.33(d)(2) In addition, unless your Levin account is reimbursing your federal account for allocable Federal Election Activity, the transfer-in of funds from a Levin account is prohibited by 11 CFR §102.5(a)(1)(i) and §300.30(b)(3). Please clarify the nature of this transfer-in from the Levin account.

The Commission recommends that you immediately transfer the impermissible funds received by your federal account, back to your Levin account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

4. The total listed on Line(s) 4(d), Column B of the Schedule L Aggregation Page for the "Levin" account appears to be incorrect. Please be advised that you should add the "Column B Year to Date" total from your previous report to the current "Column A Total This Period" figure to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction. (2 U.S.C. § 434(b) and (e))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
