Dear Mr. Morse:

This letter is in response to your request for additional information, dated January 20, 2015.

1. Your letter indicates that Schedule A disclosed contributions from Dennis Troesh that, in the aggregate, appeared to exceed the limits set forth in the Act. However, one of the participants is the National Republican Congressional Committee. Because this committee can accept contributions to its recount fund, Mr. Troesh had the option of designating a portion of his contribution to the recount fund. He instead chose to reattribute it to his spouse, Carol Troesh. This reattribution was disclosed on the Year End FEC report, filed 1/31/15.

The Committee believes that no further action is required at this time.

Sincerely,

Lisa Lisker
Treasurer
