Dear Ms. Sinram:

I am receipt of your letter requesting additional information on two items. Below I restated the item and give my response:

1. Please clarify all expenditures made for 'Fundraising' on Schedule B.

"Fundraising' expenses on p. 29 and 30 for Captel are not expenses made on behalf of a specific candidate, but rather are expenses associated with raising money for NeurosurgeryPAC. It is my understanding that no amendment is necessary, just clarification.

2. Schedule B discloses an expenditure(s) for 'Advertisement.'

"Advertisement' expense on p. 32 was not 'express advocacy' in support or against a particular political candidate, but rather it was for a legislative issue. It is my understanding that no amendment is necessary, just clarification.

If you should have any questions regarding the above, please do not hesitate to contact Ron Engelbreit at 847-378-0509.

Sincerely,  
Paul McCormick, MD  
NeurosurgeryPac, Treasurer
