Anne Marie Brady
Senior Campaign Finance Analyst
Reports Analysis Division
Federal Election Commission
Washington, DC 20463

Identification Number: C00394593
Filing period: January 1, 2004 to March 31, 2004

Ms. Brady,

This letter is in response to your inquiries dated June 1, 2004, related to the April quarterly report of David Vitter for US Senate.

1) Schedule A appears to have contributions in excess of federal limits. However, this is not the case as explained in detail below:

a) Robert Webb Contributions were from three people, Robert Sr., Robert Jr. and Robert III. All the contributions were coded to one person incorrectly.

b) The Rick Santorum contribution was from America's Foundation Pac not Mr. Santorum. This contribution was incorrectly entered.

c) Farida Baig was a contribution from her and her husband and incorrectly coded during input.

d) All of the remaining contributions were coded incorrectly to the wrong election period as they were entered.

2) Procedures for obtaining employer/occupation information from contributors in excess of $200.

a) Original solicitation includes clear and conspicuous request for information to comply with federal campaign law.

b) Upon deposit of the contribution, a follow up postcard is mailed to the contributor within ten days requesting missing information in order to comply with federal laws.

c) Upon obtaining missing information from the contributor, the data is entered into the filing software and is included in the next filing.

3) The summary and detail summary page information in Column B should be the result of the previous report's column B and the current report's column A. However, this was our first time filing for the Senate race and the data from the congressional filings was converted electronically. Per advice from our prior FEC report analyst, we continued to use the previous election cycle to date totals from the congressional campaign to account for, and properly disclose cycle to date totals. Per our phone conversations this week, you informed me that none of the totals from the previous campaign would carry over to the senate race. However we should disclose via memo, amounts contributed and transferred (line 12) from the previous campaign. We have corrected the problem on this amended report.

4) The amount loaned to the campaign from the candidate is from personal funds.

The amendment filed as part of this letter should clarify the matters documented in your June 1, 2004 letter.

William Vanderbrook, Treasurer
David Vitter for US Senate
