

Amended Pre-General filed 12/18/08 - Response to FEC Inquiry Letter Dated February 25, 2009 Regarding Item 4.

The Democratic Governors Association's aggregate year to date of Levin contributions of \$20,000 on Schedule L-A is divided as follows: \$10,000 is a conversion of 2007 allowable, unspent non-federal contributions converted on 2/15/08, and \$10,000 is 2008 contributions converted on 10/10/08. The reporting software should be using the original contribution date in 2007 rather than the conversion date in 2008. We have contacted the software programmer to see if this problem can be fixed.
