Dear Mr. Fortkiewicz:

This letter is in response to your request for additional information, dated March 2, 2012.

Your letter indicates that the 48 hour notice of independent expenditures made in opposition to Barack Obama require the state information in which the election is being held. These independent expenditures were all made for the General Election to be held in 2012. The 48 hour notices inadvertently indicated they were for a Primary Election. The Committee is in the process of amending all reports of independent expenditures in opposition to Barack Obama to indicate that they are for the General Election. Because the expenditures are for the General Election, no state code is required.

Thank you for bringing this to our attention.

Sincerely,
Ryan Hecker
