Dear Ms. Davis:

This is in response to your letter of April 21, 2011, regarding the possible failure to file 48 Hour Reports for two contributions received by the Boren for Congress committee.

The contribution from the Western Energy Alliance PAC was reported under the 48 Hour Rule but attributed to the Independent Petroleum Association of Mountain States. Evidently, in July 2010, the PAC changed its name to the Western Energy Alliance PAC. Unfortunately, the 48 Hour Report was filed using the incorrect name.

The contribution from the Crowley for Congress committee was not reported under the 48 Hour Rule. This was an unfortunate oversight, which we deeply regret, and we have taken steps to ensure omissions such as this do not occur in the future.

Please let me know if you need any additional information.

Sincerely,

C. Pat Frank
Treasurer
