Re: Amended 30 Day Post-General Report (10/19/06 – 11/27/06)

This report was amended after the committee realized that the \$27,000 that is referred to in your letter was not reported. The committee inadvertently forgot to record the transactions in the check register. It only came to the committee's attention when the bank reconciliation reports were completed by the accountant.

The committee hopes that this clarifies this issue. If there are any further questions please contact us at:
