

the mid-year 2011 report included transactions reflected on line 12. These represent three distributions which resulted in excess contributions for the JFC participant. The excess contributions were returned to the American Victory Fund Committee for re-distribution.

On 10/7/10 John Cox contributed \$250. This was distributed on 11/2/10 to Vern Buchanan for Congress. Only \$100 should have been distributed, therefore the campaign returned the excess \$150 on 2/28/11. This \$150 was subsequently distributed to other JFC participants on 3/30/11.

On 2/28/11 both Aksay and Seema Desai contributed \$7,750 each. These contributions were distributed on 3/30/11 to two of the JFC participants. On 6/17/11 Vern Buchanan for Congress returned \$5,000 for each of them as they had already contributed their maximum to the campaign. The total of \$10,000 was distributed to other JFC participants on 6/30/11.
