Re: Year End Report (11/28/06-12/31/06)

The Senate Majority Caucus has hired an outside company to provide administrative services for the caucus instead of hiring staff. The expenditures the caucus made in 2006 were to ARI Systems, Inc., who provide all administrative services and were paid with 100% federal money. Wells Fargo Bank - bank charges taken directly from the federal account. The only other transactions made in 2006 were transfers to the Minnesota state political party.

The first report of 2007 will include a Schedule H1. This should clarify the activity of the Caucus.

For your information, ARI Systems no longer provides accounting services. We have hired Cornerstone Horses, Inc. If there are any further questions, please contact us at:
