SUBJ: Amended 12 Day Pre-General Report (10/01/02 - 10/16/02)

This letter is in response to you inquiry dated April 9, 2003 referencing the above report.

- Prior report of 07/01/02 - 09/30/02 has been uploaded which will correct "Calendar Year-to-Date" totals.

- Schedule H-4 has been amended to clarify "dinner expenses" and "office supplies." Any "dinner expenses" were for regular monthly mtgs. as "Hispanics In Politics", etc. and were not for the purpose of influencing a federal election/candidate. Expenses for "office supplies" were reimbursements for copy machine paper, pencils, notebooks, etc. All "office supply" disbursements were for the coordinated campaign and not for any one individuals personal use.

- Regarding the financial activity disclosed on the wrong line of the Detailed Summary Page - in speaking with our Campaign Finance Analyst at the FEC, this information is informational only and no corrections need to be made.

I trust this memo along with the amended report referenced above will clarify and and all questions.

Thank you.
