RE: October Quarterly Report (7/1/2008-9/30/2008)

Dear Ms. Daughtrey:

This letter is in response to the Commission's request for additional information related to the above referenced report filed by VoteVets.

VoteVets is a small political committee that has few administrative expenses. Currently, it has only a small number of paid staff and relies primarily on fundraising and communications consultants and an accounting consulting firm to administer the committee's activities. The committee also has no rented office space. All of the expenses incurred to operate the committee, including payments to its consultants, have been disclosed as operating expenditures on Schedules B and H4 of the committee's FEC reports.

The expenditures listed as "Fundraising and Strategic Mgmt. Services" on Schedules B and H4 were not made on behalf of any federal candidates and were properly disclosed on the corresponding disbursement schedules of the report.

The expenditures disclosed on Schedule B for "Communications Services" are not public communications or voter drive activity containing express advocacy. These expenditures were made exclusively to support the activities of VoteVets.

In addition, the expenditure disclosed on Schedule H4 for "Communications Services" is not a public communication or voter drive activity containing express advocacy. This expenditure was also made exclusively to support the activities of VoteVets.

Finally, the committee is in the process of amending the report to itemize the expenditure disclosed as "Reimbursement - Shipping Costs" on Schedule B.

If you have any further questions, please feel free to contact the committee.

Sincerely,  
Peter Granato, Treasurer
