Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Your committee has checked Line 5(f) which indicates that your committee supports/opposes more than one Federal candidate, and is not a separate segregated fund or a party committee.

However, you have also listed the Democratic Party of Orange County as an affiliated committee. The Democratic Party of Orange County is a federally registered subordinate committee of the Democratic Party. Please amend your Statement of Organization to clarify whether your committee is a party committee. If your committee is responsible for the day-to-day operation of a political party, then you should complete the required information for line 5(d).

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
