Dear Ms. Lisker:

On January 4, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 13, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges your response concerning clarification for the purpose of disbursement described as event expense and consulting, however, your committee must provide a more detailed description for purpose of disbursement. You state in your letter of 1/13/99 that 11 CFR 104.3(b)(3) does not prohibit the use of this description. Please note that the purposes listed in the regulations are provided as examples only, and are not meant to be all inclusive. Purposes should be concise, yet specific enough to provide clear descriptions as to why disbursements were made. It appears that the terms event expense and consulting could be disclosed with a more descriptive purpose. Please review your disbursements which are currently described as event expense and consulting and amend those which require a more specific description.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Donald Averett on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

John D. Gibson
