Dear Mr. Coates:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report contains disbursement(s), which appear(s) to be personal use of campaign funds (pertinent portion attached), as defined at 11 CFR § 113.1 (g). Personal use is any use of funds in a campaign account of a present or former candidate to fulfill a commitment, obligation or expense that would exist irrespective of the candidate's campaign or responsibilities as a federal office holder. Please clarify the nature of the event and disbursement to H.O Day Spa. If the disbursement is determined to be personal use of campaign funds the Committee must seek reimbursement for the full amount of the personal use violation(s) from the beneficiary and notify the Commission in writing of such a reimbursement. The reimbursement(s) must be reported on Schedule A supporting Line 15 of the Detailed Summary Page of the report covering the period in which the reimbursement is received.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
