WARRIORS FOR LIBERTY

AMENDED YEAR-END REPORT (07/01/2013 - 12/31/2013)

INCREASE IN REPORTED ACTIVITY

In early February 2014, representatives of Warriors for Liberty were looking for someone to assume the role of Treasurer of the Political Action Committee and replace the original Treasurer. An amended Statement of Organization (Form 1) was filed on February 6th, listing Scott B. Mackenzie as the new Treasurer. The first order of business was to amend previously filed FEC Disclosure Reports as the previous Treasurer was not experienced in filing these reports and had difficulty using the FECfile software.

On February 21st, an amended FEC Report was filed that disclosed an increase in receipts totaling 241,026.52; an increase in disbursements totaling \$225,995.28; and an increase in debts and obligations owed to one or more vendors totaling \$125,519.20 from the amounts disclosed on the original report.

There were nearly 7,000 transactions, most from the committee's small donor program and the numbers just overwhelmed the previous Treasurer, who although well-meaning, realized that a change was critically needed.

The amended report details all the activity taking place during the reporting period.
