This amendment is filed in response to the Request for Additional Information dated 27 Feb. 2023 indicating that a 24-hour report had not been timely filed for the independent expenditures included in this filing. According to the analyst, the original 24-hour report that was filed by the organization on 7 Nov. 2022 shows up as blank in the FEC's database. All of our records and receipts, however, indicate that the 24-hour report was timely filed with complete information. Our FECfile datafile includes the full details entered into the report and the verification did not list any errors and we did not receive any fail errors from FECfile. We created a print preview of the 24-hour report before filing that includes all of the information pertaining to the independent expenditures on this report and is not blank. We have a copy of this print-out that shows the date and time it was created. And we received an email receipt on 7 Nov. 2022 showing proof of filing after we uploaded the report through FECfile. We followed all instructions for filing provided in the FECfile Manual and had no way of knowing that the report shows up as blank in the FEC's database. The original filing assigned ID FEC-1660893.
