Reference: Year End Report (7/1/03 - 12/31/03)

Dear Ms. Morrison:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H3 of your report discloses a transfer(s) from AFSCME People (pertinent portions attached). This is a transfer from AFSCME's non-federal account intended for the non-federal account of your committee. Any transfer(s) received by your committee from this entity is prohibited and must be transferred to your non-federal account or returned to the donor. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on your next report.

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the impermissible funds or clarification of these transactions, will be taken into consideration.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered.

Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1157.

Sincerely,
