IDENTIFICATION NUMBER: C00431171

REFERENCE: MARCH MONTHLY REPORT (02/01/2012-02/29/2012)

Dear Ms. Sugarman,

This statement is in response to the Commission's letter dated April 17, 2012. The Commission requested additional information on four items.

First, the Commission requested clarification on contributions that appear to exceed federal limits. The individuals that appear to exceed the contribution limits do not. Any amount over the contribution limit of \$2,500 has been refunded, reattributed within the 60 days, or re-designated to the Committee's General Election Account. This will be reflected in either the April Monthly Report or the May Monthly Report.

Second, the Commission requested clarification on three disbursements that did not include a purpose. The purpose for these disbursements will be included in an Amended Report.

Third, the Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required under any Commission regulations for these expenditures.

Fourth, the Commission requested further clarification on several voided or returned checks. These checks were voided either because services were never rendered or they represent duplicate charges.

This should answer the Commission's inquiry.

Sincerely,

Darrell Crate
Treasurer
