I filed a termination report on 1/5/2015 and so believe I am done and awaiting permission to terminate. I did file a 1/6/2015 -3/31/2015 quarterly report that reflected two late refunds/payments that I transferred to myself, the candidate, to reflect that all outstanding debt was paid by the candidate. There is simply an offset. Please advise if I need to file another termination report. Thank you.
