Reference: Amended July Quarterly Report (4/1/06-6/30/06), received 9/20/06

Dear Ms Hyde:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Please amend your report by providing the purpose for each disbursement itemized on Schedule(s) H4 supporting Line(s) 21(a).

-Schedule H4 discloses an expenditure(s) for "Direct Mail." Please be advised that public communications (as defined by 11 CFR §100.26) and voter drive activity (under 11 CFR §106.6(b)(2)(i)) containing express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution or an independent expenditure and should be properly disclosed on a Schedule B or E supporting Line 23 or 24 as appropriate. Public communications and voter drive activity that refer to a clearly identified Federal candidate, but that do not expressly advocate the election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page.

Furthermore, the costs for public communications and voter drive activity that refer to one or more clearly identified Federal candidates must be paid for with 100% federal funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for public communications and voter drive activity referencing a clearly identified Federal candidate is not permissible and must be returned. 11 CFR §106.6(f)

Please clarify this activity and amend your report, if necessary, to properly disclose this activity. In addition, please inform the Commission of any corrective action immediately. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

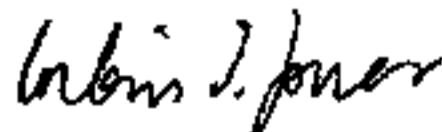

-Schedule H4 discloses payments made to credit card companies for shared federal and non-federal activity. Please be advised that these payments must identify as memo entries, the original vendors from which you have purchased an item or service regardless of the amount. Please amend your report by providing the name and mailing address of the original vendor, along with the date, amount and purpose of each expenditure. 11 CFR §§104.10 and 104.17

-Schedule H4 supporting Line 21(a) of your report discloses \$244.39 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.
