Identification Number: C00034033

Reference: November Monthly Report (10/01/09 - 10/31/09); your letter of 12/09/09

Dear Ms. Rocco:

You wrote on December 9 requesting clarification with regard to two items on the November Monthly Report. With regard to the first item, please allow me to clarify that the referenced activity does not meet the definition of Federal Election Activity nor does it contain express advocacy.

With regard to the second item, please allow me to clarify that the media services do not refer to a clearly identified candidate for Federal office nor do they PASO any such candidate.

I believe this provides all the clarification that is required, but if it is not satisfactory, please do not hesitate to contact me or the new Executive Director of the SCGOP, Todd Kincannon, at 803-988-8440. We will promptly address any further concerns or issues you may have. With kindest personal regards, I remain,

Very truly yours,  
John Cattano  
SCGOP Treasurer
