Dear Ms. Sugarman,

The Tenney for Congress Committee (C00561183) is in receipt of your Request for Additional Information (RAI) dated December 22, 2016 referencing the Committee's Post General Report (10/20/2016 - 11/28/2016). The Committee's response is as follows:

The committee has also reviewed the donor identified in the RAI for possible excessive contributions. The committee will disclose the compliance actions completed within 60 days to cure the excess contributions via redesignation/retribution or refund.

The committee has contacted the donors identified in the RAI (LLC's and unregistered organizations) as a per matter of course to determine if the contributions were from permissible sources. Upon reply from the donors, the committee will determine if any refund is necessary.

The committee will amend its report to show the proper election year designation for the contribution disclosed on Schedule A supporting Line 11(c). The committee will also amend its report via memo text and/or memo transactions in order to clarify the apparent discrepancy in the disclosure of the contribution from Mr. and Mrs. Rettner, reported with a 10/31/16 date.

Sincerely,

William Locke
Treasurer
