Identification Number: C00362384

Reference: October Quarterly Report (7/1/06-9/30/06)

Dear Mr. Kaufman:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The totals listed on Lines 21(b), 21(c), 23 and 29, Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. Contributions to federal candidates should be properly disclosed on a separate Schedule(s) B, supporting Line(s) 23 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

-Be advised that you have used an incorrect committee identification number for a contribution disclosed on Schedule A, supporting Line 11(c). Contributions from political action committees (i.e. separate segregated funds) should not disclose the identification numbers used to file Reports of Communication Costs (FEC FORM 7) by their connected organizations.

Please file all future reports using correct identification numbers for contributions from other committees, where applicable, to avoid potential errors in entering these contributions onto the public record.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1393.

Sincerely,
