Dear Mr. King:

On March 10, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

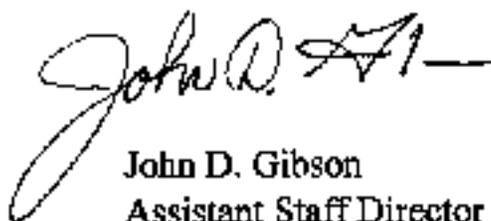

Your March 31, 1998 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges both the redesignation of the contribution made by your committee to the Committee to Elect Bob Schaffer and the attempted redesignation of the contribution made by Geraldine Cohen. In accordance with 11CFR 103.3(b)(3), a committee may not redesignate a contribution it has received. Only a contributor may redesignate a contribution made to a committee. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received or made. In support of this report the committee may use copies of letters redesignating the contributions in question as a response to the Commission. These copies should include the contributor's signature, and the date of redesignation. Also the date of the redesignation of the contribution made by your committee is requested. Please amend any reports as necessary. Please also see 11CFR 104.8(d)(2) and 110.1(b).

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Mary Beth deBeau on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink that reads "John D. Gibson". The signature is written in a cursive style with a long, sweeping underline that extends to the right.
