

Thank you for the opportunity to clarify our disclosure reports. If we should amend our reports please let us know.

There is a typo on our year-end report filed 1/31/06, because the entry at Schedule B, page 67, paragraph C lists Nelson Mullins Riley & Scarborough, LLP Federal Political Committee ("the PAC") as the recipient. In fact, the recipient of that payment was Nelson Mullins Riley & Scarborough, LLP, the partnership that established and maintains the PAC. We will be glad to amend that filing if that is what needs to be done.

That entry on our 1/31/06 disclosure is intended to disclose a payment of \$150 by the PAC to the partnership on 10/20/05 to reimburse the partnership for overhead expenses incurred by the PAC, including rent, office equipment and supplies, utilities and telephone services and personnel time processing contributions. The PAC is managed by and out of the office of a regular employee of the Firm for whom PAC activity constitutes a de minimis portion of total employment time. We estimated that the value of such overhead expenses attributable to the PAC is \$150.

The PAC's report filed on 10/10/06 likewise discloses a reimbursement payment by the PAC to the partnership on 9/13/06 for the same kind of overhead expenses of the PAC as described above, in the amount of \$150.

If you have any questions, or if further explanation is required, please let us know.
