Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Your report discloses returned contributions from federal political committees totaling \$9,500.00 on Schedule A supporting Line 16 of the Detailed Summary Page. If the check written by your committee was not cashed, you should itemize the voided check on Schedule B supporting Line 23 as a negative entry. Line 16 should be used if the recipient committee cashed your check and wrote a refund on its account. Please amend your report to correct this discrepancy or provide clarification regarding this transaction.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather
