PAGE 1 / 1

Our committee filed a Schedule E, 24 hour report on Friday, April 12. We were having problems downloading the software and were told by our analyst, James McAllister, that it would be okay to hand deliver. Also, please note, on the Schedule E we listed the disbursement as being for a special election. These expenditures were for the April 30th special primary for the MA Senate race. All future notices will be filed electronically.
