Reference: October Monthly Report (9/1/98-9/30/98)

Dear Mr. Kempner:

On November 10, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 12, 1998, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You state in your letters that you have enclosed copies of the redesignation letters sent to all of the candidates' committees and that all redesignated contributions will be reported as memo entries on the "November monthly" report. The Commission received copies of redesignation letters for all of the committees except the Dave Camp for Congress and Gekas for Congress Campaign committees. In addition, review of the 30 Day Post-General Report only discloses the dates on which these contributions were originally made, not the dates on which they were redesignated. Please provide the dates on which these contributions were redesignated.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Ken Davis

on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in cursive script that reads "John D. Gibson". The signature is written in dark ink and is positioned above the typed name.
