REFERENCE: OCTOBER QUARTERLY REPORT (08/03/2014 - 09/30/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Debt payments for this period (disclosed on Schedule D) are greater than the payments itemized on Schedule B. Each expenditure to a person, which in the aggregate exceeds \$200 for the election cycle, must be reported on Schedule B. "Person" includes an individual, partnership, corporation, association, and public or private organization -- other than an agency of the United States Government. Please amend your report to correct the discrepancies in the payments made to Kim Leija. (11 CFR §§ 104.3(b)(4)(i) and 100.10)

2. Schedule D of your report discloses debts to Red Print Strategy with the notation "The total debt disputed to Red Print Strategy has been settled and agreed upon for the amount of \$100,000.00. Adjustment made to reflect negotiated balance due." If the committee and the creditor are in dispute over the balance of the debt, the committee must establish the debt as disputed on Schedule D. The committee must disclose any payments paid to the creditor, any amount the committee admits it owed, and the amount the creditor states that the committee owes. The committee may also note that the disclosure of the disputed debt does not constitute an admission of liability or waiver of any claims the committee may have against the creditor.

When a disputed debt is settled, the committee must provide a statement explaining the circumstances and conditions under which the debt is

extinguished.

Until you extinguish the debts or the Commission has determined the debt is not payable, you are required to continuously disclose the debt. (11 CFR § 104.11(a))

For more information regarding disputed debts, please see Commission Advisory Opinion 1999-38 and 11 CFR § 116.10.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1161.
