Dear Mr. Schilling:

On July 31, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 13, 2002, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that the "non federal amount reported on line 18 should be \$103,608.29 and not the \$111,000 reported". However, Line 18 Column A of your report still discloses \$111,000 in transfers from the non-federal account. Please amend your report with the correct figures.

An adequate response must be received at the Commission by September 11, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather
