To Whom It May Concern:

On behalf of the DaVita HealthCare Partners Inc. Political Action Committee (C00340943) (the Committee), we are writing to inform the Federal Election Commission (the Commission) that, in reviewing the Committees March bank statement, we discerned that the bank erroneously and inexplicably deposited funds for another account into the Committees account. The following day, the bank withdrew those funds. Subsequently, however, the bank, once again, erroneously and inexplicably withdrew the same amount and then re-deposited the funds the following day. Ultimately, the banks corrective actions have resulted in a net variance of \$0.00 for the Committee.

Below is a list of these transactions; they have been disclosed on Lines 17 and 29 of the Committees April 20th monthly report:

03/16/2016 - \$13,005.00 deposited into account

03/17/2016 - \$13,005.00 withdrawn from account

03/30/2016 - \$13,005.00 withdrawn from account

03/31/2016 - \$13,005.00 deposited into account

We are working with the relevant bank personnel to ensure such errors do not occur in the future.

The Committee wanted to make the Commission aware. In addition, we have consulted with our Reports Analyst, Maureen Benitz, regarding this matter. Please let me know if you have any additional questions.

Respectfully,

Lin David Whatcott  
Treasurer
