Donald Avarett
Federal Elections Commission
999 E Street, NW
Washington, DC 20464

Dear Mr. Avarett,

I am writing in regards to the Genesee County Democratic Committee FEC # C00299319. It has been brought to our attention that we have been filing with the Federal Elections Commission incorrectly since 1996. We would like to remedy this situation as quickly as possible.

In 1996, a previous treasurer of this committee thought that she was terminating all accounts with both the State of Michigan and the Federal Election Commission. In doing this, she closed a bank account of the Genesee County Democratic Committee. That left the committee with only one account open. This account was incorrectly used for both federal and state activity and all of the activity was reported to both the federal and state election commissions.

The State of Michigan is a hard money state and all non-federal accounts consist of voluntary funds just as what is required by the FEC. In 1996, Genesee County incorrectly deposited money transferred from another party's non-federal account into the only account we had at the time. According to the FEC, that one account that we had would be considered a federal account. We were conducting all of our transactions out of that one account and reporting all of the transactions (regardless if federal or non-federal) to both the FEC and the State Election Commission. Thus, we were duplicating the transactions reported to both.

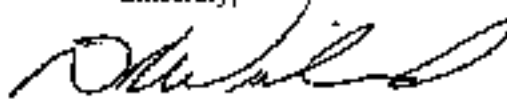

We have looked at the expenses in 1996 and determined that a majority of them were for joint federal/non-federal activities. Therefore, we are filing an amendment to the 1996 Post-General Report that will reflect the following changes:

1. The majority of expenses we incurred were joint federal/non-federal activities (schedule H4).
2. Part of the amount transferred into this account could be used as the non-federal share of these joint activities. Furthermore, the funds transferred into the account were within the required 60 days for reimbursement of the non-federal share (schedule H3).
3. All other expenses written out of this account are being reported on a Schedule B.
4. After deducting the non-federal share of the transfer, we realized that we accepted approximately \$457.00 in excess non-federal funds into what we now know to be our federal account.
5. We have now set up a separate non-federal account.
6. We are reporting on our amendment that we have a debt owed from our federal account to our non-federal account in the amount of \$457.33 which was the excess non-federal funds (schedule D).
7. As we receive contributions for our federal account, we will pay our debt back (transfer) to our non-federal account.

We hope that this amendment will remedy the problems with the 1996 Post-General Report. We now believe that we understand both the Federal and State election laws much better and will not have a problem like this in the future. If this amendment is acceptable to the FEC, we will promptly amend all reports following the 1996 Post-General Report to reflect the above changes.

Thank you for your time and patience with this matter. Please feel free to contact me at 810-762-3560 if you have any questions.

Sincerely,

Douglas K. Weiland
Treasurer
