Re: Correspondence dated June 6, 2013

Dear Ms. Broomhead,

Your letter referenced an Amended April Quarterly Report showing significant increases in receipts. I personally amended that report, along with nearly every other report filed in the past two-three years.

With regard to the increase in receipts on the report in question, I became Treasurer in September of 2012. There was a period of time for several months that the Jefferson County Party did not have a Treasurer. During this time, the April report was filed and inadvertently only had reported disbursements. WHEN I became the Treasurer, I went back through and cleaned up the reports with any problems. On occassion I find small issues that need to be amended, and I do that as well. As of today, all activity has been reported to the best of my knowledge.

Thank you for your correspondence.

Sincerely,

Nathan M. Haney
Treasurer
