Reference: 12 DAY PRE-RUN-OFF REPORT (04/17/2014 - 06/25/2014), OCTOBER QUARTERLY REPORT (07/1/2014 - 09/30/2014)

The Walker 4 NC committee (FEC ID# C00543231) is in receipt of your letters dated November 12, 2014, with respect to the 2014 Pre-Runoff & October Quarterly Reports. Please accept this as our response to the FEC's request for additional information.

Please be advised that the Walker 4 NC committee takes great care to ensure that all "last minute" donations are reported correctly. The donor, Raymond Ted Vanhoy, III, referenced in your letter was a contributor through our on-line system. Due to a software glitch, the notification for this contribution was never received by the campaign. It was not until the accounts were reconciled that it was discovered that the contribution had been made and the 48hr reporting period had already passed.

In reference to the contributions that were designated to 2014 Primary Debt Retirement, those contributions were solicited in response to a late arriving invoice for activity related to the Primary election and was unknown to the campaign prior. Due to the limited funds on hand on the Primary Election Day, the campaign was able to calculate that this invoice did meet the net debts outstanding requirement. The invoice was paid on 9/9/2014 to the vendor Axiom Strategies.

The Committee trusts this response sufficiently answers the FEC's request for additional information. If further information is needed, please contact the Walker 4 NC committee at (919) 889-1817

Sincerely,

Charles Rakestraw
Treasurer
