Re: Year End Report 7/1/93 - 12/31/93

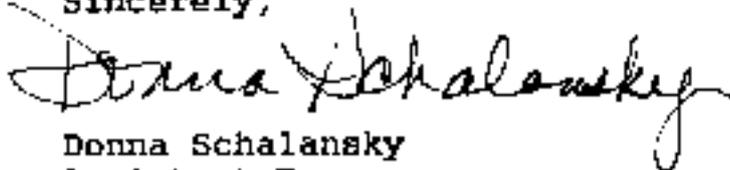

Dear Mr. André:

In response to your letter of April 15th:

Regarding Transfers from Affiliated/Other Party Committees to be disclosed on Schedule A, I can only assume you are referring to the contributions from the California Republican Party disclosed on line 11(b). Please be advised that these contributions are not transfers but contributions supporting a Voter Registration Program known as the "Bounty Program". All previous contributions of this nature have been reported on line 11(b). However, if they are indeed to be considered "transfers", please so advise.

With regard to Schedule A, for line 11a.1., I am assuming that you are referring to the \$200 receipt from the Sacramento Republican Women, Federated. Please be advised that this was payment for equipment repair and room use and that this group does not contribute to candidates and is not a "political action committee". If you still believe that this disclosure is improperly reported, please advise.

Sincerely,

Donna Schalansky
