

I would like to change the filing status for Eid Passport PAC from monthly to quarterly for 2011.

I tried to send this on 1/27/2011 but looks like I did not sign and close it properly. I am going to file the January 2011 report and then want to move to a quarterly filer. I will then report the period 2/1/2011 through 6/30/2011 by July 31, 2011.

Thank you,
