**Response Due Date:**

Identification Number: C00275230

Reference: Amended Year End Report (7/1/03-12/31/03), received 8/9/04

Dear Mr. Richards:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §§110.1(d) and 110.2(d) prohibit a committee and its affiliates from receiving any contribution from another political committee or person in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Separate Segregated Funds and Nonconnected committees must report the estimated percentages of their direct federal and non-federal candidate support for a two-year election cycle by filing a Schedule H1. To calculate the allocation ratio for administrative and generic voter drive costs, separate segregated funds and nonconnected committees use the funds expended method. 11 CFR §106.6(c)(1)

Party committees must allocate any administrative, generic voter drive and exempt activity expenses between the federal and non-federal accounts according to a fixed percentage selected on FEC Schedule H1. 11 CFR §106.7(c)

Schedule H2 is used by all political committees to report the allocation ratios of their joint federal and non-federal fundraising events and direct candidate support programs. Schedule H2 is filed with each report that discloses a disbursement for allocated activity. Schedule H3 is used by all political committees to report transfers received by the federal account from the non-federal account(s) to pay the non-federal share of allocable expenses.

Any expenditures made on behalf of both federal and non-federal candidates (including in-kind contributions, independent expenditures and coordinated expenditures) must also be allocated between your committee's federal and non-federal accounts. Schedule H4 is used by all political committees to report payments for allocable expenses. 11 CFR §106.1(a)

Please clarify the procedures you are currently using to allocate shared activity. The Commission recommends that you take steps to correct any non-compliance with the regulations. Also, your committee should establish procedures to ensure future compliance with the allocation regulations.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions to federal candidates and federal PACs should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date**

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. Schedule H1 must be filed with the first report each year for State, District and Local party committees, and with the first report filed in the two-year election cycle for Separate Segregated Funds and Non-connected committees. For State, District and Local party committees, all shared administrative, generic voter drive and exempt activity costs incurred during the two-year cycle must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. For Separate Segregated Funds and Non-connected committees, all shared administrative and generic voter drive costs must be allocated according to this ratio unless the federal account elects to pay a higher cost. 11 CFR §106.7(d)(2), (d)(3) and 11 CFR §§104.10(b)(1) and 106.6(c)

-A political committee that has established a federal account and a non-federal account must allocate between its federal and non-federal account all expenses for administrative costs, generic voter drives and fundraising programs or events. 11 CFR §§106.6(b) and 106.7(b)

will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
