In response to RFAI dated February 16, 2023,

As stated on Amended Year-End Report (7/01/2021-12/31/2021):  
In response to RFAI dated November 17, 2022 . After careful review of when checks were actually received by the campaign, we are amending to add contributions that were reported erroneously for January 15th, 2022 that should have been entered for actual date of December 31st, 2021. Employees of Northrop Grumman \$2500, General Dynamics Corporation PAC \$5000, and Motorola Solutions Inc. PAC \$5,000 were the contributions moved to correct dates. COH and all summary pages have been updated to reflect change.

Thank you.
