Below is the response of the Motorola, Inc. Political Action Committee ("the PAC") to the November 3, 2004 letter from the FEC regarding the PAC's 12 Day Pre-General Report (10/1/04-10/13/04).

The letter references a refund of a disbursement made by the PAC to the Motorola Arizona Good Government Committee, and notes that "it appears that this disbursement was not previously reported by your committee." The letter requests that the PAC amend the appropriate report to disclose the original date of the disbursement to the Motorola Arizona Good Government Committee.

The original contribution to the Motorola Arizona Good Government Committee in the amount of \$5,000 was made by the PAC on June 28, 2002. This disbursement was disclosed on the PAC's Amended July Monthly FEC Report (6/1/02-6/30/02).
