Dear Ms. Sinram, I am writing in response to your Request for Additional Information letter dated January 20, 2006 regarding the committee's April Quarterly and Mid Year reports in 2005. Your letter states that said reports disclosed no payments for administrative expenses for the purposes of operating a political committee. Please be advised that JOE-PAC is a small committee that has few administrative expenses. Currently, it has no paid staff and relies primarily on volunteers to administer the Committee's Activities. During the time period in question, two payments were made to Crowley for Congress that represent the Committee's use of office space, including rent, utilities, telephone and supplies. Payments were made on February 16, 2005 in the amount of \$200.00 and on April 20, 2005 in the amount of \$200.00. Said payments may not have been itemized by our program due to the amounts. All of the expenses incurred to operate the Committee have been and will continue to be reported as federal operating expenditures on the Committees FEC reports. I trust this information satisfies your request, however, feel free to contact me should there be anything further you require. Very truly yours, Scott G. Kaufman, Treasurer, JOE-PAC ph. 718-457-8585.
