SECRETARY OF THE SENATE

Federal Election Commission
999 E Street, NW.
Washington, DC 20463

ID Number: C00330886

Reference: Amended April Quarterly Report (1/01/09-3/31/09), date 4/20/09

To Whom It May Concern:

We are in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response.

We are fully aware of the contribution limits set forth by the Commission. We have in place a system to deal with contributions that are temporarily excessive and to guard against the acceptance of excessive contributions by our committee. Due to software limitations, we did not catch all instances of this during this period. In addition to rectifying the current examples, we have re-evaluated our systems and procedures and are confident that any issues have been addressed.

On this report there were a few transactions that resulted in excessive contributions. For the three individuals brought to our attention by the Commission, refunds will be issued. These refunds will be reflected on our next regularly scheduled report covering that period. For the PAC contribution in question, there was a miscommunication between the two committees. The corresponding amendment has corrected the period allocation to match the intent and the report of the PAC itself.

Finally, we continue to abide by the best efforts established by the committee, and we do have in place a procedure that meets this standard. All of our original solicitations contain the request for employer and occupation. We follow up with the donors that do not provide the information with a second request and inform them that it is federal law that we request this. We provide a self addressed envelope. Finally, we add all new information to our database and report it going forward. Please see below for the employer occupation information gained from our follow up requests since our last filing:
