Re: December 2007 Monthly Report

Dear Ms. Fleming:

I am in receipt of your letter dated May 2 seeking clarification with regard to certain disbursements. The Committee has, as you indicated, reviewed all reimbursements to individuals, and reviewed the reporting requirements outlined in the regulation you cited at 11 CFR 104.3(b)(3)(i) and 104.9. Through this response the Committee can, as you requested, confirm that no further itemization is required under any Commission regulation for these expenditures.

In addition, you asked for clarification as it relates to reimbursements for travel and subsistence advances. Here again, the Committee has, as you indicated, reviewed all reimbursements to individuals for travel and subsistence, and reviewed the reporting requirements outlined in the regulation you cited at 11 CFR 104.9. We note that a recent Commission Policy Statement listed travel , travel expenses and travel expense reimbursement as Purposes of disbursement that provide sufficient detail . Through this response the Committee can, as you requested, confirm that no further itemization is required under any Commission regulation for these expenditures.

Please treat this response as an amendment to the report as you requested.

Sincerely,  
Margee Clancy  
Treasurer
