Dear Mr. Averett:

Reference is made to your letters of December 29, 1997 relating to the 12 Day Pre-General Election Report I.D. #C00055582 and Mid-Year Report I.D. #C00055582.

We are in the process of putting together a response to the matters raised in your letters but have been delayed because our accountant and other staff have also been involved in putting together our end-of-year reports which have recently been filed.

Accordingly, we would appreciate an additional 30 days to respond to these two letters so that we may be and remain in full compliance with the requirements of the Federal Election Commission.

Sincerely,

Lewis Bart Stone
